Comment:

Only Soviet Air Force units have so far been assumed to be stationed in GRO. SENHAIN. It remains to be seen whether the Soviet Army units observed in the GRO. SENHAIN Fliegerhorst Kasernes in mid-August 1949 were located there only for the duration of the maneuvers in the GRO. SENHAIN area or whether GRO. SENHAIN has become a permanent military post for component units of the 9th Tank Div or the 11th Gds Tank Div [REDACTED]
